

## French: From Dialect to Standard

French: From Dialect to Standard. French is one of the most highly standardized of the world's languages and the author invites us to see the language as heterogenous, rather than a monolithic entity, using the model proposed by E. Haugen as a useful comparative grid to plot the development of standardization. Written as a text, this book looks at the external history of French from its Latin origins to the present day through some of the analytical frameworks developed by French: From Dialect to Standard language by R. A. Lodge, , Routledge. London, pp. ISBN I. The author concedes from the outset that his. R. ANTHONY LODGE, French: From dialect to standard. London: Routledge,.
